## EDUCATION

### Johannes Kepler Universtitat, Linz — *Bachelor in Artificial Intelligence*

OCT 2022 - MAR 2025

Focusing on the intersection of AI and real-world applications, with a strong foundation in both theoretical concepts and hands-on projects.

### Google Analytics, Online — *Certification*

ONGOING

Currently studying this new Google initiative to help their students understand both the theoretical parts that involve Data Analytics as the practical ones.

### University of Applied Sciences Upper Austria, Wels — *International Summer Academy in Engineering for Women*

JUL 2023 - JUL 2023

Intensive program focused on teamwork and diverse engineering disciplines, designed to elevate women in engineering through collaboration and innovation.

### Argentina Programa (Sè Programa), Online — *Programming Course*

AUG 2021 - OCT 2021

This was a national initiative that introduced the concept of programming through JavaScript and Ruby On Rails.

### Instituto Maria De Nazareth, Cordoba — *Secondary School*

MAR 2013 - DEC 2018

Graduated at the top of my class from secondary school with an intensive English curriculum.

## PROJECTS

### Portfolio — <https://agostinavidalvillanueva.com>

#### Presidential Elections Prediction — *Hackathon Project*

Built a model to predict the winning party for the upcoming Argentine elections.

#### Domestic and Foreign Travel Trends Prediction (by Austrian travelers) — *Hackathon Project*

Developed six predictive models analyzing travel habits to assess data variance in predictions pre- and post-COVID.

## SKILLS

Python, Matlab, Julia & SQL

Statistical Data Analysis

Data visualization

Public Speaking

Data Mining

SnowFlake

## ADDITIONAL ACTIVITIES

**Female Coders Mentor** - I am currently mentoring at one of Austria's largest organizations for women in tech, responsible for organizing study groups and hackathons.

**Community Service** - Lead a group of peers through a series of projects to improve an education center for school dropouts and people in need.

**Student Exchange Programs** - Participated in two student exchange programs to the USA with EF to enhance communication and English skills, earning two C2 level certifications.

**Model UN** - Participated with an ambassador role three times in a row through 2015 till 2017, which allowed me to grasp the concepts of multiculturalism and geopolitics.

## LANGUAGES

English (C2), Spanish (C2), Italian (C2), Portuguese (A2), German (A1)
